

# FMF Cape Breton – Op LASER Update 20 April 2020

Current Posture: 3C "Protect" - Minimum Manning	Key Contact Information								
Update Message	Position	Primary	Phone	Alternate 1	Phone				
Last week was a particularly busy week, given our reduced-manning state. We expect to have fewer people on-site this week, but still have a bit of work to do getting OTT ready to transfer to VSL, as well as some arising work in CAL and REG, which are currently at sea.
