Binding Arbitration

We just received the confirmed and finalized dates for the postponed mediation/arbitration sessions. The sessions will be held here in Victoria July 10/11, 2025 at the Hotel Grand Pacific.

As all have now heard, our counterparts with the FGDTLC(East) in Halifax finally received the Federal Public Sector Labour Relations and Employment Board decision from their arbitration. The decision essentially gave them the pattern deal that the majority of the federal public service received. The decision can be found on the FPSLREB website at:

[Arbitral Award \(Federal Government Dockyard Trades and Labour Council East and the Treasury Board\) - 585-02-49101 - 2025-04-08](#)

All SRW members need to remind themselves that the situation and issues in the Halifax area are different than we are experiencing here in Victoria area. This was mentioned in a couple statements in their decision regarding comparators, and our legal team will be strongly reinforcing that during the upcoming sessions.

In solidarity,

Des

Des Rogers
